Slim

- IT *Slim è la gamma pivotante 6 mm non intelaiata che Disenia ha progettato con ben 30 mm di regolazione per lato. La possibilità di posizionamento sugli esterni bordo piatto o a pavimento, seguono le tendenze più attuali.*
- EN Slim is the 6 mm pivot range Disenia has designed with 30 mm adjustment per side. The possibility to position these shower doors on the outside of the tray borders or straight on the floor follow the latest trends.
- FR Slim c'est la gamme pivotante 6 mm que Disenia a projeté avec 30 mm d'extensibilité pour chaque côté. La possibilité de positionner ces cabines sur la partie externe ou sur le carrelage suit les dernières tendances.

IT *La praticità e la funzionalità si uniscono all'estetica ed alla facilità di installazione in un connubio di qualità atte a dar vita ad una gamma completamente nuova e rivoluzionaria. Slim sembra proprio essere il frutto di questa unione.*

EN Practicality and functionality meet with aesthetics and installation simplicity in a union of qualities bringing to life a completely revolutionary and innovative collection. Slim seems to be the result of this match up.

FR La praticité et la fonctionnalité s'unissent à l'esthétique et à la facilité d'installation en créant une nouvelle et innovante gamme.
